

Dear Members, Students and Families,

Tennis World and Tennis NSW are excited to host Suncorp Super Netball (SSN) on Ken Rosewall Arena (KRA). More information and tickets [click here](#).

What does that mean for you?

Access to Rod Laver Drive is from the Hockey Centre end of the venue. Turning from Australia Ave onto Shirley Strickland Ave then onto Rod Laver Drive will not be possible and these roads will be closed. Please access Rod Laver Drive from Sarah Durack Avenue onto Shirley Strickland Ave (near Hockey) then proceed around to Rod Laver Drive. **See attached Tennis World / KRA Road Closures – Access Map**

1. Carpark A (gate 1) & C (gate 8) on Rod Laver Drive will be available for Tennis customers – proof of your booking/registration must be provided (Membership Card, Email Confirmation, Name & Time of Booking). Carpark B is closed and will be for Netball staff only.
2. Ken Rosewall Arena (KRA) precinct will be closed from approximately 2 hours prior to each game which means access from the eastern side to the western side (and vice versa) will be via the footpath on Rod Laver Drive – note there will be a gate open near court 6 for pedestrian access to/from Rod Laver Drive. **See attached Tennis World – Pedestrian Access**
3. Prior to the KRA precinct closing, access can be via the normal upper concourse however vehicles may be moving in this area to bump in for the Netball event so pedestrians should exercise caution and parents should escort their children safely. We do not recommend allowing your children to walk on their own from one side of the venue to the other.
4. We have created a drop-off and pick-up zone in Carpark A. We ask that you do not park in this area and simply drop your passenger off or pick them up then continue to exit or find parking. Children should be accompanied by an adult when using this zone.

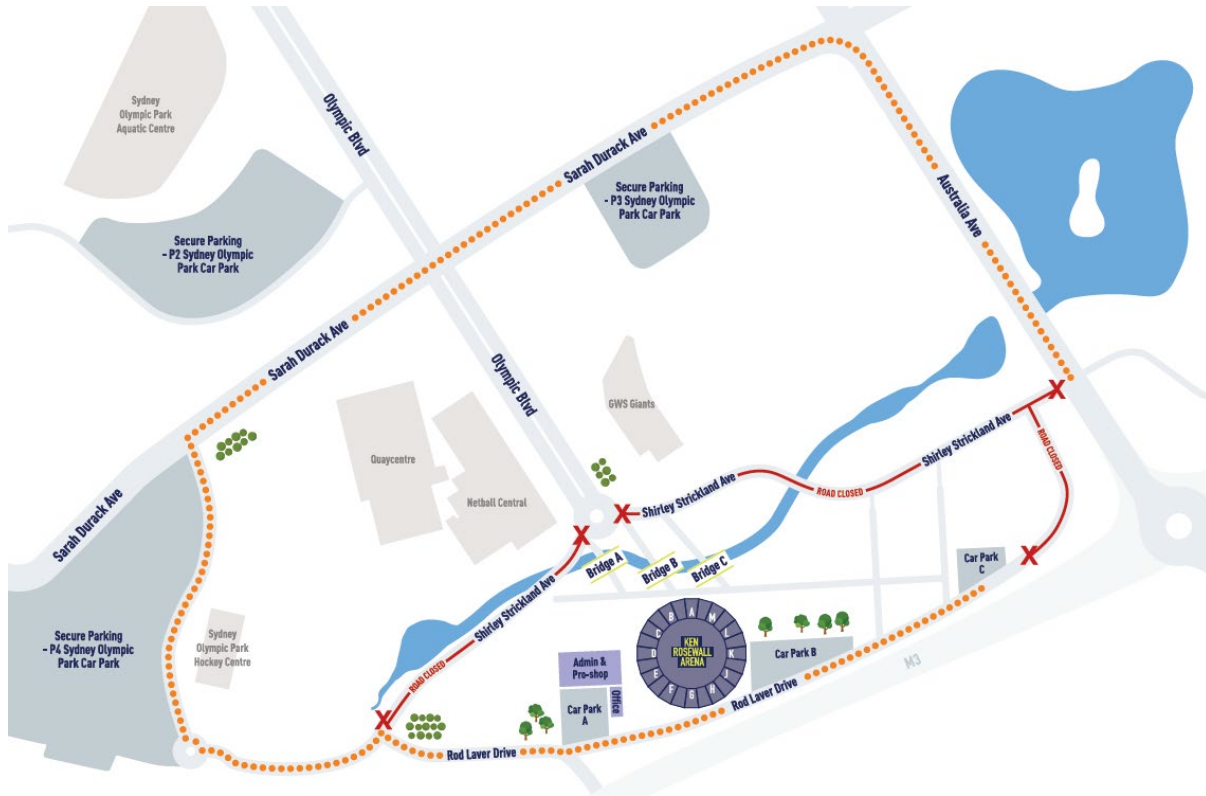

5. Tennis World is proud to be an inclusive organisation that supports people from diverse communities to enjoy Tennis. As such, it is important to us to ensure people using wheelchairs or others with accessibility needs, have access to our designated parking spaces. We have noticed an increasing number of people using the accessible/disability car parks which takes away from our approach to be inclusive. We ask that you do not park in these spaces unless you have a permit. We appreciate your support in helping us be an inclusive place for all.
6. Please allow extra time to get to your booking as there may be slight delays, especially during peak periods. Traffic within the whole Sydney Olympic Park precinct will be heavy, particularly around the Netball match time.

We appreciate your understanding and patience

Regards,

Tennis World Management
