

TENNIS WORLD COACH HIGHLIGHT

Chloe Hule

As a key player in delivering our performance programs and a recent graduate of the Club Professional Tennis Coaching course, Chloe has been smashing it out of the park (or should we say court?), and we couldn't be prouder!

Chloe's love for tennis was evident from her early days, as she represented her state and country in multiple international junior events. Her passion for the sport took her to the University of Colorado Boulder and then to Texas Christian University, where she became a standout academic athlete. Armed with her degree in Communications & Psychology, Chloe was ready to transition from a player to a coach, bringing her wealth of experience to Tennis World Sydney & Tennis NSW.

Chloe's commitment to the growth of tennis is clear as she juggles multiple roles, including her full-time role with Tennis NSW, ensuring smooth operations of competitions and tournaments within Metro Sydney. She hit the ground running with our Tennis World programs too. Joining Tennis World, Chloe was quick to make an impact. She became an integral part of delivering our Super 10s, Super 12s, and the National Development Squad programs.

Chloe's drive to excel didn't stop at the baseline. She recently aced her Club Professional Course, honing her expertise in player development, program planning, and business management. This achievement has further equipped her to nurture our young athletes, helping them serve their best game on and off the court.

Chloe's dedication to her craft has reaped significant rewards. She led the 13u and 15u girls' teams to championship victories at the Australian Teams Championships, a testament to her incredible coaching skills. Through her holistic approach to athlete development, Chloe ensures that our young stars shine not just on the court, but in all aspects of their lives.
